

## Sierra Shadow Casters

Date: February 7

Purpose : Minutes for first meeting of the reestablished motorcycle club the "Sierra Shadow Casters"

11:07 President Mark Aston calls the meeting to order and begins with a discussion of how he and Vice President Paul Hall were able to meet and discuss with Fresno motorcycle groups the fact that we as a motorcycle organization would be reforming and they were ok with this. We will continue with our past motto of "Riding for Others" and that we have applied for a 501C.

A patch was given to Michael Dobson to signify that he was the past President. A patch was given to Charles James to signify he is the Secretary/Treasurer. They are both Board members.

From this point on the club buys patches as detailed in by-laws.

A discussion of possible future rides concluded with a majority of members willing to attend a Virginia City 4th of July ride. Raymond Parade and Hillside Pride will be explored.

It was agreed that the first Saturday of every month will be a "Breakfast Run".

After a discussion of where to create a bank account it was decided that Yosemite bank would best fit our needs. Charley James was directed unanimously to do so.
